## Jewel Is a Gem

Dear Virgin Territory,

Here in the UK both my girlfriend and I are regular readers of your mag. The girls (and guys) are so sexy that we can't wait to get hold of a copy when it appears at the newsagents.

We were so impressed with the pics of Jewel in July '12 that I had to write in and tell you just how god damn sexy she is. Every issue my girlfriend picks out a favorite girl which she says she would like me to fuck in front of her, and this issue it was the lovely Jewel. She's so hot I could barely control my spunk when I saw her.

My girlfriend is bi and gets so wet looking at the young teens, too. I mean who wouldn't? If you had any of those hotties in bed, you would be cumming in minutes.

One of my ex-girlfriends looks like Jewel, and I fucked her so much she could barely stand up after the first month of being together. Please, oh please, 18eighteen, I beg of you to get Jewel in a MILF shoot with an older woman or even a granddad. Those little button titties of her just make my blood boil and along with her tight, shaven clitty she would make a ideal play partner for my girlfriend and I. It's a god damn shame we're over in the UK! She's definitely the Jewel in our crown this month. -D. and J., United Kingdom

Dear D. and J.,

There were two models named Jewel in the July '12 issue. We think you're referring to the blonde model based on your description of her "little button titties", but just in case, here's a bonus photo of both girls.

## Awesome Hardcore

Dear Virgin Territory,

The hardcore pictorials in your Sept. '12 issue were top-notch. I loved them all, but you did an especially great job with the horny Asian slut Jayden. Now that was some awesome anal action! You can tell she is no stranger to back door lovin'! That huge photo of her spreading her asshole wide open was so fucking raunchy and hot. Jayden makes great

slutty facial expressions, too. Lots of hotties could take some

lessons from Jayden, because this girl knows what's up with cocks. She sure got mine rock-hard with that photo of the hard pole up her butt. The cum shot in this layout was too small, but I can look past that because I love anal so much.

Jessi's XXX layout was amazing, but I would expect nothing less from a grade-A babe like her. I don't think it's possible for this girl to look anything but sexy. Now she has an amazing ass that would look great with a dick spearing her tight starfish. The photo of her on page 91 riding cock in reverse cowgirl and spreading her asscheeks is pure gold. Her cum shot was phenomenal as well. A nice, hearty load for such a pretty face. With the exception of Jayden's pictorial, you have

Both girls named Jewel in the July '12 issue had perky tits and tight twats.

been doing a great job with the cum shots. Big photos and big loads.

The hardcore pictorials are my favorite part of your mag. Not many mags run them anymore, and the ones that do have some nasty girls that look run down. You always give your readers young, FRESH cuties that

fuck. My utmost respect to you, *18eighteen*. -J.C., via email

Dear J.C.,

*We're flattered! From what you wrote in your letter, it seems like you really enjoy anal. In that case, we hope you like the photo of Jayden's fucked ass on page 5.*

## Who's That Busty Girl?

Dear Virgin Territory,

Who is the girl on page 53 of the Sept. '12 issue? She is holding a flower and has a nice pair of floppers. She is way cute and I would love to see a pictorial of her. While I do enjoy your teen girls and their (mostly) flat chests, I'd be lying if I said I didn't enjoy seeing big tits. Ultimately I am

an ass man, but that doesn't mean I don't appreciate a fine pair of juicy, ripe

tits. I remember a long time ago you did a big boob issue and lots of readers were pissed about it. Well, I thought it was great. You should do something like that again, although I understand why you probably won't. Most of your readers want flatties. Either way, I am fine. I just happen to like big tits in addition to young chicks. It's not so much the fact that your young girls have little tits and skinny bodies that turns me on. It's

just...who isn't attracted to a pretty girl in her late teens or early twenties?

Occasionally I buy *SCORE* and *Voluptuous* to see big tits, but honestly I prefer the girls in *18eighteen* and *Naughty Neighbors*, even if they are not

**Mandy comes across as aloof, but she opens up for dick!**

as busty. Not that I am criticizing *SCORE* or *V-mag*—they are great for what they are. Anyway, I've gone off on quite the tangent. Back to that girl. What is her name and where can I see more of her? Thanks and keep up the

good work.—B.E., Modesto, California

*Dear B.E.,*

*The girl you are referring to is Natalia, and her pictorial ran in the Naughty Neighbors May '12 issue.*

## Horny Kitty

*Dear Virgin Territory,*

Mandy from the Sept. '12 issue has such an intriguing face. I imagine her to have something of a cat-like personality: aloof and elusive, but capable of purring and meowing if you pet her right. When a girl is as hot as she is, it's fun to have to chase her a little to catch her. It's all worth it once you pull down those panties and see a pussy as lovely as Mandy's. The photos of her pussy and buttohole nearly set my pants on fire. She reminds me of a girl I used to have a huge crush on when I lived in the States. I desperately wanted to bang her, but never got the chance. I always fantasized about her, as now I do with Mandy.

Please tell me this beauty does hardcore. I want to see her purr while a cock is inside her twat. I'm dying to jack my cock to her bubble butt in motion. This horny little kitty has me in heat!—F.L., Quebec, Canada

*Dear F.L.,*

*Mandy is in the XXX movie Glazed Teens. Check out the video preview on page 12, and keep an eye out for her hardcore pictorial in an upcoming issue.*

**Reader G.K. says that he is Catie's biggest fan. This one is for him!**

## Lusty Trio

*Dear Virgin Territory,*

Thank you for all the awesome lezzie layouts you have been running lately. I think Hayden and Elle's is my favorite. Now that we've seen them eat pussy, will we be seeing them fuck any cocks? Super bisexual girls are the best. They are always down for anything. Girls are so beautiful, I don't see why they wouldn't want to explore each other's bodies.

I would love to eat both Hayden and Elle's cupcakes, and then fuck

them both doggie-style as they kneel on all fours with their asses pointing at me. I'd switch from one to the other, pounding them and doing my best to make them wet and horny. I imagine getting your balls tongued while you fuck a girl is probably one of the best feelings in the world. In my own fantasy world, that's what Elle does as I fuck Hayden's pussy. She even transitions from licking my balls to tossing Hayden's salad while I pump away. And for the finale, they both kneel in front of me for a huge facial. Come to think of it, it's been a while since you've run a three-way. Perhaps it's about time, and maybe with Elle and Hayden.—T.L., via email

Dear T.L.,

Your fantasy does sound like the ultimate wet dream for teen-lovers. Sadly, Hayden and Elle keep their cock-fucking activities off-camera for the time being, so we won't be able to bring you that three-way with them. But, a three-way with two other teen hotties is possible. We'll see what we can come up with!

## Taking Karmen for a Ride

Dear Virgin Territory,

Karmen is the best. She has these sweet, big eyes that I would love to see looking up at me while she was sucking me off. She has tiny, little tits that should be in my mouth, and covered with my cum. That shaved pussy needs expert pleasing from a guy who loves to eat pussy. I would eat Karmen out until she was shaking and cumming and saying my name, then I'd slip my cock inside of her and really take her for a ride. I love to please women and figure out how to make them cum the hardest. I would fuck Karmen for hours because she turns me on so damn much. She's one of my favorite models. Thank you for all the great close up shots of her pussy.—W.M., Miami, Florida

Dear W.M.,

Karmen is a cutie. There's a bonus photo of her on page 6 for you to enjoy!

## Memory Lane

Dear Virgin Territory,

Lexee is cute as a button. She

reminds me of this girl who grew up in my small hometown when I was a kid. She would walk with me down a long, dirt road to wait for the school bus every day. Her name was Sally. I had dirty thoughts about her for the longest time, but nothing ever came of it. Lexee is a dead ringer for Sally, with her big smile and reddish hair. Seeing her photos really takes me back to that time and gives me a wonderful feeling of nostalgia. I masturbate to her the same way (and just as often) as I did for Sally. I would love

Lexee is F.Y.'s fantasy replacement for a girl he used to know.

to see her with a bush, as I'm sure that's the style Sally had. Either way, she is a lovely addition to my fantasies as is. Keep up the good work.—F.Y., Alexandria, Virginia

Dear F.Y.,

Girls who remind us of someone from our past (or present) often provide the best fantasy material! It's almost like seeing the girl from real life naked.

## Tiny Fuck-Doll

Dear Virgin Territory,

I blew lots of loads for Lexa in the Sept. '12 issue. I love skinny flatties like her. They give me instant boners.

**BRA SIZE:** 34B

**Ava, has anyone ever licked your precious pussy before?**

"Yes, a couple of times. I liked it, but it was such a mission to get my panties off 'cause I was so nervous about fooling around. People have tried before and given up 'cause I was sort of prude."

### **Why were you nervous about it?**

"Just because I had never done anything before, and I didn't know if my vagina was normal or not. I always felt like I had big labia, and I was scared that if someone saw them they'd be grossed out. But three people have eaten me out and they told me I have a nice pussy and that it tastes really sweet and fresh. That makes me feel better."

### **Did you enjoy the oral? Did you have an orgasm from it?**

"The first time it was okay. I didn't have an orgasm 'cause I just couldn't relax. Then the second time was actually with a girl, and it was a really good experience. She went slow and gentle, and I got really into it. I had two really good orgasms that time. So she kind of broke me in for the next guy who went down on me. Now I really like being eaten out. Next I need to try having sex."

**Sasha, the flat-as-a-board girl-next-door, likes to masturbate with the blinds cracked. There's things she likes to do to herself when she's alone that she isn't terribly shy about. But when she turns down a friend's request for a date and comes over to talk about it after school, it turns out Sasha isn't the only one with a...**

## *Dirty Little* **SECRET**

By Joe Monks • Illustration by Otis Sweat

### **"I'm serious, James.**

This is way hotter. She's down to her bra and panties. You know what she's going to do next. Finger herself."

On the other end of the line, James groaned. He had a porno he'd whacked off to a hundred times going. I was watching the girl-next-door pull cotton balls from between her toes and get ready for bed. But I knew—from experience—that bed didn't mean sleep.

"Damn you," James bitched. "You should've told me you were playing window-watcher tonight!"

I'd been playing the role of window-watcher every night for over a week, but didn't share that with him. Sasha Bern had been fingerfuck crazy for the better part of ten straight nights, and her real name was hotter than any of the phony names on the XXX-rated DVD James was presently jerking his dick to.

"Well?" he prodded. "What's going on? What's she doing?"

"She's wiggling her toes. Just took the last cotton ball out...she's checking her work."

James sighed. He dug girls barefoot. He got a hard-on just going to the beach, staring at toes in the water and miles of barefoot babes on the sand. I had to admit, it was pretty

fucking sexy watching Sasha spread her toes, looking for stray polish or plucking out a still-sticky tuft of cotton. She had tiny feet, and they were hanging over the side of her bed, pointing in my direction. When she leaned back and held them up to examine them in the light, I was looking right at the tight cotton triangle stretched across her pussy. Her panties—orange tonight, like the nail polish, were getting a little darker along the cleft that led to her sweet spot. No doubt about it, I thought. She's going to be diddling that clit any minute now.

"Did she do herself last night, too?" James interrupted.

"Uh-huh," I confirmed, not really paying attention. Sasha was on her back now, her bra humped up over nonexistent tits. I wasn't sure why she bothered to wear one—she had nothing upstairs whatsoever.

"And you didn't tell me?" James cried, outraged. "Why didn't you say something? I would've come over tonight, like right away!"

"It's not like she masturbates every night," I said defensively, hoping to see Sasha's hand creep toward her bloomers. Her tummy was perfectly flat, and she was nibbling on her bottom lip. I couldn't tell what she was listening to, but her head was bobbing to some tune. That made me smile. I knew the pattern by now. It was almost showtime.

"Yeah, but still," James complained. "I haven't gotten to watch her yet!"

And you won't, unless you happen to be over and she goes at it early, I thought. The last thing I wanted was James over when we were supposed to be studying, having him jerk off while humping my window sill. He was head over heels for Sasha. Plenty of guys were, even if she didn't have any tits and looked like she should have been going to the junior prom, not the senior one. That cutesy haircut, like a chick out of the '50s. The

SWEAT

blowjob lips, full and pouty without trying. Her tight, little ass. She was fuckin' adorable.

James had talked to me about double-teaming her a thousand times since school started. He wanted her to suck his cock so bad he got erections in class that lasted all forty minutes, shooting looks her way and fantasizing about mouth-banging her. That wouldn't have been awful, I supposed, if I were giving it to her on the other end. But...

*Sasha arched her back, slowly undoing her bra. Her breasts were almost perfectly flat.*

I didn't want to share. I wanted Sasha's cocksucker lips between my legs, going down on me. James could find himself some other girl to swallow his jizz. I wanted the girl-next-door swallowing my cum, preferably straddling my face when she got off.

Sasha arched her back, slowly undoing her bra. Her breasts were almost perfectly flat. She had just the hint of a chest starting to form. That, and nips, nothing more. They were dark and swollen, and had probably been hard for a while. I could tell how excited she was by the way they stuck out. Most times when she touched herself, they started off pink, and the more she got into it, the darker they got. They'd be practically brown by the time she came, her hard buds looking like if she pinched them, they would pop.

She trembled when she brushed her fingers over them. I shook a little along with her.

"She's teasing her nips," I said, rejoining the play by play. "And they are looking good."

"Yeah? She making them hard?"

"Way beyond hard. They were standing at attention even before she unfastened her bra."

"That bra's the most useless piece of clothing in town," James commented. I wasn't so sure. True, Sasha was flatter than a cookie sheet when her nips weren't in full-on, raging "suck me!" mode. But it was sexy as hell watching her put it on in the mornings, which I'd seen her do plenty. And, of course, taking it off? Well, that went without say-

ing. I could tell Sasha wished she had bigger ones. She was always trying to find something to cup, pinching her nipples and tugging on them, making it look like she had boobs. Maybe she would, who knew? But right now? She didn't have anything to put into the training model.

Sasha's hand disappeared into her undies, and I saw her face tighten as she made contact with her clit. She tensed up, and it became obvious how horny she was, because she was already going at it hard. Usually she built up to it, but not tonight. I knew how she felt. I wanted to get

off, too, and would've had my pants down if James hadn't called right when Sasha started strutting around her bedroom in nothing but her undies. Man, had that been a fucking turn-on and a half.

"She's totally going off," I relayed. "I don't think she's going to last five minutes." James grunted. Hmph. Maybe he wouldn't last three and I'd get to play with myself in peace for the duration of Sasha's slit-stroking.

She wriggled out of her panties. They were absolutely soaked now, so she dropped them on the floor. Man, what I would give to sneak into her place and steal a pair of her used bloomers. I tried to imagine what they'd feel like when they were fresh—warm and damp with her pussy juice. What they'd smell like if I draped them over my face while playing with myself.

Sasha threw her legs apart, and I stared down into a perfect oval of pink. Her outer folds were ringed with matted down blonde hair, and even from where I was standing, I could tell her clit was puffy, just like her nips. She ran her finger around her crease, wetting it. In my head, I heard the squishy sounds her lips were making as she teased herself

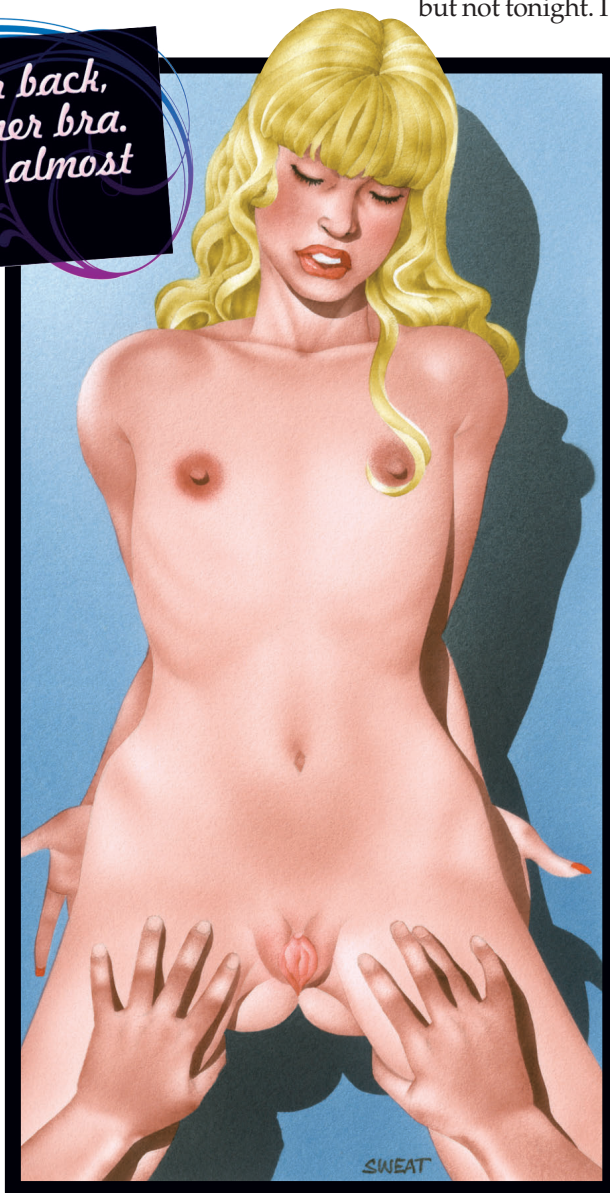

toward climax. Sasha was a wet one. I'd seen her soak up a pool of her cum with paper towels after one night's cunt-cramming, and even then, she'd gone to bed that night in a serious wet spot.

"Hmmm, I wonder who's going to cum first," I said. "You or her."

"If she was here it'd be a photo-finish," James cracked, clearly laboring. "You could take the photo, too. My jizz...her face...."

I snorted, although I had no doubt he'd work up enough ball batter to coat Sasha's face. Sasha wasn't a big

**Abby, you are so beautiful! Has a lucky guy ever licked every inch of your tight body?**

"Well, not every inch, but all the important ones, like my pussy and butt. But I think it would be amazing if a guy worshipped my whole body like that. A tongue bath sounds right up my alley! Mmmm, I'm getting wet just thinking about it. And of course, I'd return the favor with a nice, long blow job! I would offer a tongue bath, but honestly there are some parts on a guy I wouldn't want to lick, you know? [Laughs]."

**Where is the  
kinkiest place  
you ever had  
sex, Abby?**

"This isn't too crazy, but I had sex in the front seat of my parents' car. The thing is it was parked in front of my house and my parents were home. We were getting so into it that my butt hit the horn three times in a row! It was hilarious, but we had to stop and get dressed right away, and sure enough my parents came outside like, 'What the hell?' Then we started fucking again when they went inside."

"I'm down for a little anal action every now and then. When I masturbate I definitely like to stick toys up my ass, but not my finger for whatever reason. Toys and cocks just feel better. The best is when I'm on all fours and I reach back and stretch my asscheeks as wide open as I can, and the guy slowly puts his cock in my asshole. I cum almost instantly from that."

## How was your first anal experience?

"Crazy. The cock slid up my ass by accident 'cause I was so wet. Luckily I'd put a toy in my ass earlier, so it was ready. It was like it was meant to happen."

girl, maybe four-eleven. Five foot, I thought, was being generous. James was a pretty big guy, and I'd seen him at the beach, checking out girls' asses and ogling their tits, paying close attention to their toes. Yeah, if he ever got the chance, he'd either flood Sasha's mouth, or turn her face into a deposit ticket for a sperm bank.

Sasha inserted her middle finger into her snatch. I heard myself exhale through the phone. I had my hand down my pants and I was pretty damned excited.

"What do you think?" James asked, breathing hard. "You think she swallows? She looks a little prissy. I could imagine her being a spitter."

I didn't have an opinion. I'd never seen Sasha play with a vibrator or a dildo. No bananas or cucumbers had ever managed to find their way into her snatch. She was a pretty simple girl. Frig her clit sometimes, finger herself sometimes, maybe go back and forth from one to the other if she wanted to cum more than once. Or twice. Or, one special night about a week and a half ago, five times. Boy had I been drained by the time she finally went to sleep.

"Don't know," I answered honestly, as Sasha pressed her knees together and threw her head back, still biting her bottom lip, trying not to make a noise.

"Spitter," James huffed. "My bet is she's a spitter. But...we'll find out. Soon enough. G-gotta go."

Sasha rolled onto her side, back heaving, shoulders rounded. Her hand was out of sight, but I knew it was still buried between her legs, fingers trapped deep inside her.

The blanket and sheets were tangled underneath her. I waited, watching, the dead phone clutched in one hand and the other occupied down south. I had to

ing up at my window.

Her light flicked off. I ran for the shower.

I hadn't been home ten minutes when the bell rang at three-fifteen. Mom wouldn't be home for another two hours, which left it up to me. I figured it was the mailman. It wasn't like I was expecting company.

Sasha stood at the side door, about to push the bell again. Talk about a surprise.

"Hey," I said. "How's it going, Sasha?"

"Can I come in?" she asked. "I need to talk to you."

"Sure." I backed up and let her in. She was wearing a mini skirt I hadn't seen before, and it showed off a lot of leg. I was trying not to stare as she leaned against the kitchen cabinets.

"Your friend, James," she began, looking agitated. Uh-oh, I thought. I had a feeling I knew where this was going.

"What about him?"

"He asked me out."

"Oh, really?" I said, a little surprised. I thought he would've told me if he was going to make a move, but I guess he didn't.

"Well," I said, trying not to sound disappointed. "James is a nice guy."

Sasha shook her head.

"It's not that," she said, although I didn't know what she meant. "I'm not interested in James," she went on, making up her mind to come out with it. "I...I like girls."

"Well, that's cool," I told her.

She moved across the kitchen so fast it was like she teleported. She was in my space, right on top of me, so close I could feel her heat. I was about to say something when she put a finger to my lips, shushing me. She must have been nervous, because she was sweating. I could feel it.

No, not nervous...and that wasn't sweat on her fingers.

I started to speak, but she plunged her fingers into my mouth, tangy and wet and sticky with her syrup. I shut my eyes, tasting her cunt oil and knowing now why I hadn't seen her on the bus.

She'd left school early, and I knew what she'd been doing next door for the past half hour.

"Your room," she whispered, backing up the stairs and leading me, her fingers running across my tongue. She'd been over before, so knew the layout, and headed straight for my bedroom. I let out a disappointed groan when she took her fingers

from between my lips.

She looked around. Checked out my computer desk. Then, the window. She walked over to it. My stomach lurched. My heart raced.

"This," she said, looking down at her house. "Is where you stand when you watch me."

"W-watch you?" I stammered, trying to sound innocent. She turned to me. And smiled wide. She pointed at my desk. To the computer.

*She parted her legs, and sure enough, the last thing I saw before she reached for the light was her pulling her middle and index finger out of her slot, strands of churned-up slit syrup dripping off her fingers. She looked ecstatic.*

cum. Listening to James beat off while watching Sasha masturbate was just too much.

Sasha flinched and lay on her back again, looking exhausted. She parted her legs, and sure enough, the last thing I saw before she reached for the light was her pulling her middle and index finger out of her slot, strands of churned-up slit syrup dripping off her fingers. She looked ecstatic. The pleased smile on her face as she looked up at the ceiling almost sent me over the edge. Her head rolled toward the window. And let's be honest, the chances of that happening were pretty good! Well, the first magazine you put me in, the Back to School issue, just came out. "I love it! I mean, who doesn't? I'm horny all day long. From the minute I wake up to the moment right before I fall asleep. And even then, I have tons of sex dreams. A lot of the time when I wake up my pussy is already wet! So waking up to cock rules."

"Pretty much! I don't know if *that* kind of facial really does anything for my skin, but it's lots of fun, and it's so dirty and nasty. I get down on my knees and ask for it like a little slut. Then I rub it in and taste it. From the time the guy is cumming until I'm rubbing it in my face I'm looking him in the eyes, letting him know how much I like his cum. ## DIRTY LITTLE SECRET

Continued from page 42

"Sometimes, you leave your monitor on. I see your shadow...here."

She patted the blinds. Ouch! I was totally busted!

"James is cute," she said, slipping back into the conversation interrupted by feeding me her pussy juice. "But...I think I'm not the only one who likes girls."

She lifted up her skirt. My mouth fell open. Sasha wasn't wearing any underwear. I could see everything.

And she'd shaved her pussy bald.

"Tell me," she said, unfastening the buttons that ran up her hip and tossing the skirt. "Are you happy...just watching me?"

I was on my knees, mouthing her pink, probing the sweet terrain between her folds with my tongue. Sasha had a thick-lipped pussy, and I savored the drippage seeping out of her as I sucked it from her box.

"Yeah!" Sasha growled, grabbing a handful of my hair and pulling my face deeper into her muff. "Oh, that's good! Oh, nice, lick it for me!"

Her gash flooded with juice. It ran hot down my cheeks and chin, the way cum did after a messy blowjob. She thrust herself into my face, smearing it with greasy twat lube.

"Do it for me," I begged. "Cum in my mouth, Sasha."

I sucked her juicy clit, feeling her ass twitch the closer she got to cumming. And, she was close, all right. I could feel her blood pumping where my hands rested on the backs of her slender thighs.

"There!" she said, holding my head in place and making me concentrate on a spot just below her button. "Right...there...."

I lapped at her pussy frantically, unable to move while she humped my face. Then, like a dam bursting, she climaxed.

Sasha bent over, cradling my head, creaming all over my face. I kept at it, loving it, eating her raw, the sweet cum dribbling down my neck from her velvet snatch.

We were both half-crazy. Sasha pulled me off the floor and onto my bed, where she tore at my school clothes like the first guy I'd ever dated. Only this time, I didn't try to

stop her from groping my boobs. Or unsnapping my jeans and reaching down into my panties to finger my slit. I let her do whatever she wanted, because I hadn't been with anyone in a long time.

And I'd never had the chance to fuck another girl before.

Sasha liked playing with my titties, liked kissing them and especially sucking on them. I detected a little boobie-envy going on, and when I made a big deal out of pushing her training-bra out of the way to tease her nips, she giggled uncontrollably. I climbed on top of her, my C-cups mashed against her mosquito bites, one hand between her legs so I could rub her clit.

I planted one on her, knowing she could taste her succulent juices on my slit-rimmed lips. She didn't care, Frenching me back like I'd been dipped in cotton candy.

I worked my knee between her thighs, digging it in, feeling her curtains parting around my skin. She was oozing so much, she was turning my double into a waterbed.

It was a struggle, but I reached into my nightstand drawer while we made out like crazy, her legs wrapped around mine, grinding her soupy cunny against me like she was having a fit. I found what I was searching for and broke the kiss, strands of spittle linking us together.

Her eyes widened when she saw what I was holding—something she'd never have spotted watching my shadow from her own room. Nine inches of smooth, sleek rubber. It wasn't a double-headed dildo, like some of the ones I'd seen online, and it didn't have balls, either. Just a flat base, and a molded tip in the shape of a cockhead. A big, fat one.

"Girl," I said to Sasha. "You are gonna get fucked so good!"

She watched in fascination as I spread my lips, working the base of the toy into my steamy gash. It was a little uncomfortable at first, because the end was so blunt and so fat. But I'd taken this bad-boy deep too many times to count—especially since Sasha had moved in next door.

The first inch went in slow. I was juicier than a ripe watermelon, though, and the second inch went in quicker. The third vanished inside me, and I figured I was ready.

"All right, baby doll," I said to Sasha, angling my hips at her bald muffin. "How about we make this thing disappear?"

Sasha looked concerned. Even with three inches hidden up my twat, my purple boyfriend was still a lot to look at. I'd never seen her fuck herself with any toys, and I seriously doubted she even owned one. She looked a little worried. I didn't care.

I threw her legs apart, cream still leaking out of her and dripping onto my covers. I wrapped my fist around my dildo like a guy ready to rub one out and pressed the knobby tip into her slippery crease.

"Tra-Tracy—" she protested, but it was too late. I pounced on her, drove my hips forward and buried my plastic cock deep into her fuckhole, feeling the resistance of her tight slit.

Sasha thrashed. Her nails dug into my hips. She cried out, one long, echoing moan that rattled the pictures on my desk. But I kept at it, plowing into her, deeper with each thrust. She threw her arms around my neck, and our mouths met again, her tongue finding mine and twisting with it.

Our throbbing clits touched, and Sasha arched her back, wiggling her hips to make the most of the contact. I pulled halfway out, then slammed into her again.

She wasn't the only one getting nailed. The wide base of my toy was hard to hold onto using nothing but my cunny muscles, and every time I slapped slits with Sasha, I'd get the back-thrust pounding into me. It wasn't a bad trade-off. Sasha was getting it deeper, I was getting it harder. And, from the fat end.

I came so hard, bumping clits with the flat-chested, little slut, and bit her lip when I did. She laughed, and when I finally lifted my weight off her and emptied a few inches of rubber dick from her, juice was streaming down my end.

I was going to pull out. I'd lost track of how many cums Sasha had. A lot, for sure. Some of them were back-scratching, howl-out-loud intense. Some of the ones in between were smaller, with gasps and whimpers and furious trembling. I was pretty sure we were both spent, but I was wrong. Sasha rolled me off of her and began riding me, cowgirl style.

Something...felt different. I wasn't

sure what it was at first, but Sasha knew. She tweaked my nipples, pulling on them, pinching them between her fingertips.

And I was cumming again. Fiercely, with hot love lube erupting out of my well-fucked box. It was so intense I lost my breath, until I figured out what Sasha was doing.

"You like?" she asked, staring down at me while squeezing my tits together. "Like the way I fuck you?"

I could see her belly was taut and her hips angled forward as she rose up, and then dropped back on top of me. Only, when she was thrusting, she was squeezing the long end of my fuck toy out of her hole, and deeper into mine. It was incredible.

How much of the dildo had been transferred into my muff I didn't know, but Sasha was working us both up to one mind-bender of a cum. One to top all the rest. She was frigging herself so fast her hand was just a blur. She shut her eyes, leaned her head back, and screamed so loud I was sure the neighbors across the street had to be able to hear her.

But I was right there with her. I didn't think of myself as a screamer, but I couldn't hold back. Sasha ground down into me, her bare lips slick against my pussy fuzz, and we rocked my bed until she released her end of the fuck toy.

The cockhead was the only thing left sticking out of me.

Sasha came out of the bathroom. She'd showered while I'd thrown my bedding in the wash. She sat down next to me as I finished what I was doing

on the computer.

"What is that?" she asked, staring at the screen.

"Little present. It'll be here Friday," I explained, turning the monitor so she could view the specs.

"It's a...double-headed..."

I slid my hand up her skirt, ran my thumb over her hairless mound.

"I sent it to your house," I told her, feeling wetness on my finger.

"I get out early Friday," she said, smiling back at me. "And you?"

"I haven't cut a class all this semester," I said, my finger slipping between her lips. "Think I can afford to miss one or two."

EAGER  
TO CUM

**Jenna, would you say you're an orgasm addict?**

"I'm pretty close to it. I love to cum. I feel bad for girls who have never had an orgasm before. Ever since I first started masturbating I've always cum. I would spend hours in the bathroom fingering myself and letting water from the bathtub faucet run on my clit. I would have orgasm after orgasm, meanwhile some of my friends didn't even know where their clits were! Because I'm such a good friend, sometimes I would help them find their clits."

**We think we know where this is going. But tell us, anyway. How would you help your naive, little girlfriends find their clits?**

"I would use my tongue and flick their buttons till they came! They were less intimidated by getting naked with a girl. So I would spread my pussy and show them my clit. Then I'd spread open their pussy lips and show them their clit. By that point they were okay with me kissing it and licking it."

### Would they return the favor or did your girlfriends leave you hanging?

"It depends on the girl. Sometimes they were too shy. If that was the case I was fine just fingering myself while I ate them out. I've gotten so good at masturbating that my finger is almost as good as any cock! Any of the girls I've fooled around with could tell you that. But I've been with some girls who were pretty inexperienced and then got super kinky once I ate them out. Those are the ones who would dive right into my pussy. That's always fun. I like teaching them how to lick me and make me cum."

**Hayden,

kinky  
experience  
you've been  
craving  
since the  
July '12  
issue?**

"Something happened that I consider kinky, but I don't know if other people would. I had sex with this 50-year-old guy who is my dad's friend. I never thought I would bang a guy that old when I was this age, but the sex turned out to be really awesome."

## Woah! How did you end up screwing this 50-year-old guy?

"He'd left something at my house and stopped by to get it while my parents were out. We started talking and there was so much sexual tension. I just went for it and kissed him, and then we were making out like crazy all over the house. We made it over to the living room couch and he ripped my panties off and ate me out. Then he gave me the fucking of a lifetime."

## VIRGIN TERRITORY

Continued from page 8

She's so tiny I could lift her up with my pinky. But I bet she could still take on my big, hard cock. Girls who weigh 90 lbs soaking wet are always champs at taking huge dicks. Lexa's big pussy lips turn me on, too. She is the perfect teen fuck-doll. She looks like she is really horny. I can tell those kinds of things. If I could have one night with her she would be walking bowl-legged the next day and I would probably have to sleep for 24 hours to recover from cumming so much.—R.J., Reno, Nevada

**Lexa has a tiny, little pussyhole than can take on big dicks!**

Dear R.J.,

We can confirm that Lexa is as horny as she looks. Check out her pictorial on page 88. You'll see what we mean!

## Catie's Biggest Fan

Dear Virgin Territory,

Does Catie have a fan club? Because I should be president. I am Catie's biggest fan. I scanned her photos in your Sept. '12 issue, printed them out and put them on my wall. I look at them every night before I go to sleep so I can dream about Catie. A girl like her could have anything she wanted. I would consider it a privilege to rub her feet. Does she have a website or video I could see? I would love to be able to start some kind of collection of her work. Please put her

## CHEEKY BABE

### Do you ever wish you had big tits to match your big ass, Jessi?

"It would be cool if I naturally had big tits, but I wouldn't get surgery to make them bigger. I'm perfectly fine with them being small. As long as I have a big ass I'm okay with having little tits. But I do like big boobs on other girls. There's this one girl I know with huge tits. She let me suck them before and it was really hot. She also went to town on my little titties."

**What else did you do with this big-tit girl?**

"We went down on each other and fingered each other. She even licked my asshole. She was obsessed with my big butt, and I was obsessed with her big boobs. We both liked being with a girl who was the opposite."

### **How do you keep your pussy and ass so smooth and hairless?**

"Well I'm Brazilian so of course I get a Brazilian bikini wax. That's when they wax all the hair from your pussy and your butt hole. It's so much better than shaving because the hair grows back slower and softer and it takes much longer to grow back. The only thing I liked about shaving my pussy area was when I had a guy to do it for me. Other than that it was a pain!"

### **This big-tit girl you hooked up with, was she shaved or waxed?**

"She actually had pubes. Not a ton, but enough. She shaved her bikini line but that was it. I liked it! she didn't have that much hair, and it was really fine and blonde and super soft. I didn't choke on her pubes or anything when I went down on her. I'd say she had the perfect type of pubes to not shave. I could still get to her clit because she didn't have a big bush."

Guys love Fendy's natural looks and neatly-trimmed pubes.

in your wonderful magazine again. Thanks.—G.K., Dallas, Texas

Dear G.K.,

We're not aware of a website or videos for Catie, but there's a photo of her on page 7 to add to your collection.

### Fendy's Fresh Face

Dear Virgin Territory,

Fendy may not be the most beautiful girl in the world, but I can't help but be attracted to her. She is my favorite model from the Sept. '12 issue. I have to tell you, these Russian women drive me crazy. Fendy is just so adorable, and I do love her little pubic hedge. In a world where women are either completely bald or sporting a big bush down there, it's refreshing to see Fendy's well-kempt pubes, which are somewhere between shaved and shaggy. The shaved asshole is a nice touch, too.

I really like her little pussy. My mouth waters imagining what it would be like to eat her out and taste her juices. I bet you she is vice-tight.

Fendy would probably be a good lay because she doesn't seem like she has a stick up her ass, if you know what I mean. She looks like a nice girl

who isn't too high maintenance and doesn't take herself too seriously. Down to earth girls are usually good lays, in my experience. They can relax and aren't worried about their bodies or uptight about getting cum on their face. I'm not into girls with bleached hair and tons of make-up. Fendy's natural look is the best. After a night of fucking her silly you wouldn't be afraid to see what she looks like in the morning with no make-up. I also like that you kept her socks on for the whole layout. Please consider doing this more often.—R.E., Newport, Rhode Island

Dear R.E.,

We wonder if Fendy's name is a take on the designer brand, because it certainly doesn't suit such a natural, low-maintenance girl like her! We agree with you about her girl-next-door looks—the less make-up, the better!

## What's Up with Softcore?

Dear Virgin Territory,

I'm from the UK and I always buy *18* from the newsstand. I wish I could subscribe, but unfortunately my living situation does not permit that. I had a question about the softcore pictorials you've been featuring lately. I've noticed that most of your pictorials are solo girls, but every now and then you'll feature a girl with a guy, but we won't be able to see any penetration. I've not seen this before, but then again I don't buy any other adult publications. So I was curious why you run these softcore layouts. Is it because of a censorship issue? Are there hardcore versions of these pictorials? If so, I would love to see them. Thank you.—R.W., Leeds, England

Dear R.W.,

You hit the nail on the head—we can't show hardcore in the UK due to censorship issues. And yes, the softcore pictorials you see do have corresponding hardcore photos that run in the International edition of *18*. Readers in the UK can acquire the uncensored XXX International edition by either subscribing to our magazine on page 4 or ordering a back issue on page 11. If possible, you can see the same content that runs in our magazine (and more, including videos) on our website at [18eighteen.com](http://18eighteen.com).
